

# Danis Auto's 30-Day/1,000-Mile Limited Warranty

Every car we sell comes with a Limited Warranty for 30 days, or 1,000 miles, which ever expires first. Our goal is to make sure you are well-versed as to what is covered under our guarantee. Please note, this is a summary only. We encourage all of our Danis Auto customers to read the Limited Warranty to ensure they understand what is and is not covered.

## What is the Coverage Term?

You have coverage until the earlier to occur of:

- a) 30 days from Vehicle Purchase Date; or
- b) When Your Vehicle has been driven 1,000 miles.

We start counting miles from the time you take possession of your Vehicle from us.

## What Parts Are Covered?

Your Limited Warranty covers repairs on all assemblies and parts on Your Vehicle except:

- a) Interior or Exterior Cosmetic Imperfections (defined below in the "Definitions" section at subpart (7))
- b) Replaceable/Wearable Parts (defined below in the "Definitions" section at subpart (8))
- c) Recommended Maintenance (defined below in the "Definitions" section at subpart (9))
- d) Aftermarket Accessories

## Do I Have a Co-Pay?

Yes. There is up to a \$100 co-pay per each Repair Visit that will vary based on certain state laws. Please contact the Administrator for more details.

## What Do I Have to Do to Make Sure the Limited Warranty Remains in Effect?

It's only three things. You must: (1) properly operate and maintain Your Vehicle as recommended by Your Vehicle's manufacturer; (2) obtain the Administrator's authorization number prior to beginning any diagnosis, teardown or covered repair; and (3) pay the co-pay indicated for each Repair Visit.

## What Are Our Obligations For a Repair Covered Under This Limited Warranty?

Assuming you have done what you are required to do and it is a repair we have agreed to make under this limited warranty, We will:

- a) Repair or replace the Covered Part(s) which caused the Breakdown. Replacement parts may be of like kind and quality. This may include the use of new, remanufactured or used parts.
- b) Reimburse You for a rental car at the rate of up to \$25.00 per day for a maximum of five (5) days. If you have multiple issues that are related or happen around the same time, you still only get reimbursed for five days. For each 8 hours of labor required to repair your Vehicle, you get one day of rental reimbursement. The 8 hours is based on national standards estimates for the repair(s). To receive reimbursement for a rental, you must supply the Administrator with Your receipt from a licensed rental agency.
- c) Reimburse You for towing. Limit \$75 per occurrence.

## What Should I Do if My Vehicle Suffers a Breakdown?

### Call the Administrator at (215) 333-6666

Please follow this step by step procedure:

Use all reasonable means to protect Your Vehicle from further damage. This may require you to stop Your Vehicle in a safe place, turn off the engine and have Your Vehicle towed.

Instruct Your repair facility to contact the Administrator at the number shown above for instructions before any repairs are started on Your Vehicle. Furnish the repair facility or Administrator with such information as this Limited Warranty may reasonably require. This includes receipts for towing and signed repair orders (indicating dates and mileage).

If Your Vehicle requires an emergency repair, review your Limited Warranty to see what to do, including: (1) retain any replaced parts for the Administrator's inspection; (2) contact the Administrator the next business day for instructions on submitting the claim. The Administrator will not deny your claim solely for lack of prior authorization.

"Emergency repair" means any repair outside of the Administrator's normal business hours (Monday-Friday, 8am-5pm Eastern; Saturday, 8am-2pm Eastern).
